

# SL-500

# 1740 lb. WLL

## 1/2" PEAR SHAPED SLING LINKS

## LINKS, PEAR & END

Weldless Pear Link

Weldless sling links are produced from a single piece of metal so there is no chance for weld failure. This high strength load rated link is ideal for use in bridling two points (from the wider end), at angles from a third point (at the narrower end), such as with shackles or wire rope assemblies.

Bridle Rigging
